

How to Set up your SITRAIN access Trial Account

Thursday, April 20, 2023 4:23 PM

1. Click this link to Go to www.siemens.com/sitrain-access and click on "To the digital learning platform" to get to the SITRAIN access learning catalog

2. Click the Sign In button in the top right

Welcome to learning in the digital age

SITRAIN access Knowledge that gets you ahead!

SITRAIN access is a digital learning platform with exclusive, prepared expert knowledge directly from the manufacturer. It enables continuous and sustainable learning and ensures maximum motivation through a lively community and interaction. Whenever, wherever you like.

You need a subscription to use SITRAIN access. It is available in selected countries via the [SITRAIN Country Selector](#).

If you have any questions, visit our [FAQ page](#) or send us an [inquiry](#).

To get an overview about all courses and curricula just click on the "Browse" button on the top of this page.

3. Log in with your Siemens ID (or register for a new account)

4. Enter your trial code "trySITRAINaccess_US" and click on "Submit".

It seems as if your account is not linked to a SITRAIN access subscription.
Do you have an Enterprise License or a trial code* for SITRAIN access?

Enter the according ID or code here

If you are not sure whether you have such a license or subscription, contact your purchaser or supervisor.

If you do not have a valid subscription, find more information on [siemens.com/sitrain-learning-membership](https://www.siemens.com/sitrain-learning-membership)

*Note: Trials for SITRAIN access may have limited content and/or functionalities (e.g. no access to virtual exercise environments).

Please note that a Learning Membership is not available in all countries. You can find out whether this service is available in your country via the SITRAIN country selector
