Learning Services Credit FAQs

1. How do I activate/access my credits?

- Once credits are purchased, the customer is assigned a unique promotional code that is used at checkout in the SITRAIN Learning Management System (LMS).
- This code acts as a 'discount or credit' code, similar to any other online catalog purchase.

2. How do I know how many credits I have remaining?

- Once purchased, a coordinator from your company is designated to access information through our Coordinator Dashboard.
- The Coordinator Dashboard is accessed by following the steps below:
  - i. Direct your internet browser to:
    http://www.sitrain-lms.com/Default.aspx?cps=1186
  - ii. Sign in to your LMS account by selecting, "LMS Login" at the bottom of the left hand menu or far right in the top gray bar.
  - iii. If you need to retrieve your password, choose "Click here to retrieve your password" and follow the directions.

- iv. Once you have signed into your SITRAIN LMS account, click on "Coordinator Dashboard" located in the menu at the far right of the page.
- v. Select, "SITRAIN Learning Credits" to view usage details.
- vi. Below "SITRAIN Learning Credits" you can also view, "Student Data".

3. How long do I have to use my credits?

- Credits may be used for up to 1 year after the date of purchase.

4. What if I want to purchase more credits?

- Additional credits may be purchased at any time.

5. What if I don't have enough credits to purchase the learning elements I need?

- The remaining balance may be paid with a credit card or purchase order (depending on the value) or additional credits may be purchased.
