SITRAIN Learning Credits

Establishing a learning credits account prepares you and your team to have a budget in place for training needs throughout the year.

Key Features

- One credit is equivalent to one US dollar. Bonus credits may be offered at higher dollar amounts.
- Provides an easy to redeem "pool of credits" that may be accessed by employees.
- Credits expire one year from the purchase date and classes must be scheduled prior to the expiration date.
- Use on any learning portfolio element except simulators and Virtual Training Solutions (VTS).

Quick Facts

- Customer is assigned a unique promotional code that is used at checkout in the SITRAIN Learning Management System (LMS).
- A coordinator from your company is designated to access information through our Coordinator Dashboard. The coordinator can view how many credits remain and monitor learning progress.
