

# Credentials matter

## Continuing Education Units

SITRAIN Digital Industries Learning is an Accredited Provider of IACET Continuing Education Units (CEU). Our accreditation with IACET is a demonstration of SITRAIN US' commitment to quality adult education and high standards for all of our learners. We are very pleased to maintain our relationship with such a prestigious organization as well as an elite group of organizations that offer excellent continuing education and learning programs.

## Key benefits for learners include:

- Transferable CEUs between cooperating organizations
- Vendor of choice is made easier by recognizing IACET brand
- Assurance of quality programming
- Assurance of standards-based record keeping

Did you know you can convert your CEUs to Learning Units (LU) or to Professional Development Hours (PDH)?

- 1.0 CEU = 10 PDHs for engineers
- 1.0 PDH = 1.0 Clock Hour (minimum 50 minutes)

## Digital badges

Through SITRAIN – Digital Industries Learning Micro-credentialing Program, you can easily display knowledge and competencies to employers, colleagues, and professional organizations on your email signature, social media sites and other electronic media.

## Key benefits for learnings include:

- Employers can easily track student competency badges.
- Track employee competencies across the workforce for new technologies
- Employees can digitally display competencies

Once you have successfully completed your course, you will receive your Micro-credential badge.
